

INVITATION

For several years now EKATO has offered seminars and workshops free of charge that cover topics with respect to process engineering for customers and interested individuals. This year EKATO FORUM would like to invite you to attend our:

GAS-LIQUID REACTION TECHNOLOGIES IN THE BENELUX ON NOVEMBER 7, 2019

at Van der Valk Hotel Tilburg, Dr. Bloemenlaan 8, 5022 KW Tilburg, The Netherlands

- **Basics of mixing in gas-liquid systems**
- **Gas-liquid reactor design strategies**
- **Chlorination in EKATO photo-reactors**
- **EKATO process plant solutions**
- **Hydrogenation plant technology**
- **Alkoxylation plant technology**

We invite you to this seminar to learn about latest trends in gas-liquid reaction technology and to meet people and experts from the industry. We are looking forward to seeing you!

For further and detailed information about this seminar, please contact EKATO B.V.:
Phone: +31 33 2460404, e-mail: netherlands@ekato.com

or register directly on our website:

AGENDA

GAS-LIQUID REACTION TECHNOLOGIES

Date / Place

November 7, 2019

at Van der Valk Hotel Tilburg, Dr. Bloemenlaan 8, 5022 KW Tilburg, The Netherlands

Target Group

Process engineers, project managers as well as persons responsible for process development, production, agitated processes.

Objectives

In this workshop we will show how to design gas-liquid reactor, current trends and developments in process technology as well as possibilities for optimization of existing plants.

Presentation / Language

The presentations of the EKATO specialists will be in English language

08h45 – 09h15	Registration, Welcome & Coffee
09h15 – 09h45	EKATO Process Plant Solutions
09h45 – 10h45	Basics of Mixing in Gas-Liquid Systems
10h45 – 11h15	Coffee Break
11h15 – 12h00	Gas-Liquid Reactor Design Strategies
12h00 – 13h00	Lunch
13h00 – 13h45	Chlorination in EKATO Photo-Reactors (Peschl Ultraviolet GmbH)
13h45 – 14h30	Hydrogenation Plant Technology
14h30 – 15h00	Coffee Break
15h00 – 15h45	Alkoxylation Plant Technology
15h45 – 16h15	Q&A, open discussion with experts
approx. 16h15	End of seminar

WHAT YOU CAN EXPECT FROM AN EKATO SEMINAR ...

■ Seminar times

08h45 until approx. 16h15 including breaks

■ Provision of food and drinks

The day begins with a welcome coffee. A small snack and coffee will be offered during the breaks. Beverages for your refreshment are available all day, as well as a lunch buffet.

■ Materials for the seminar

Each seminar provides detailed information, a writing pad and a pen for taking your own notes.

■ Registration

The number of participants for each seminar is limited. Registrations will be considered in order of their submission. Please register as soon as possible so that we can reserve your place.

You will receive a confirmation directly after your registration. Further information such as a detailed seminar program and directions concerning the venue and how to get there will all be provided prior to the seminar.

We hope you understand that we reserve the right to cancel the seminar at short notice on such grounds as force majeure or any other major unforeseen circumstances.

■ Participation fee / cancellation

The EKATO Seminars are free of charge. Should you not be able to participate in a seminar for which you have booked, then we request that you cancel your reservation in good time so that your place can be offered to someone on the waiting list.

■ Information and Registration

For further and detailed information about this seminar, please contact EKATO B.V., Phone: +31 33 2460404, e-mail: netherlands@ekato.com

or register directly on our website:
