

For several years now EKATO has offered seminars and workshops free of charge that cover topics with respect to process engineering for customers and interested individuals.

EKATO is expanding its seminar proposal and now offers on regular basis:

## EKATO Webinar Series

## Nov-Dec 2020

1st & 3rd Thursday  
of every month

10 – 12 am (CEST)  
3 – 5 pm (CEST)

Free of charge

November 5, 2020

### Advanced Polymer Recycling

From plastic waste to resource – no time to waste!

November 19, 2020

### Agitated Reactors for production of chemicals from biomass

From biomass to biofuels and biochemical. EKATO's contribution: we will mix it !

December 2 or 3, 2020

### Cost saving mixing solutions for minerals processing

How value can be created in hydrometallurgy using optimized mixing technology and materials of construction

Dec 2, 4-6 pm  
Dec 3, 7-9 am

December 17, 2020

### Mechanical design – EKATO means reliability

Mechanical background and hints how to design an agitator and mechanical seals
